

**“ Veetukoru Vignaani 2022” District level winner from PGEPS**

“**Puthiya Thalaimurai**” TV Channel organized the 9<sup>th</sup> Edition of the District level (Kanchipuram) event “ **Veetukoru Vignaani 2022**” on 30.07.2022 at *Maharishi Vidya Mandir, Mangadu*. Nearly 30 schools (around 400 students) participated in this event and, from **Peace on Green Earth Public School** 12 students exhibited their Scientific Projects in junior and senior categories. Master **JOANAN ABRAHAM. B** of class VII won the I prize at the district level and was selected for the state level competition in the junior category. He was honoured with a trophy and a certificate by **Dr. AARTHI I.A.S**, District Collector, Kanchipuram.

He has displayed a project on “AI Enabled Switches” which help us to reduce power consumption and it is controlled by a microcontroller called *Arduino Nano*, with the help of sensors. The switches enable fans and lights to switch ON / OFF when the sensors are triggered.

The school is proud and congratulates **JOANAN ABRAHAM. B** for this prestigious achievement.
